Watches

The **Omega** Constellation Observatory 39.4mm Moonshine™ gold on Moonshine™ gold.
price on request, omegawatches.com

Watches are one of the most considered part of men's accessories today. As the horological universe expands with options and opinions, Indian watchmaking, too, is coming of age. JEHANGIR READYMONEY, a Mumbai-based watch collector and luxury watch consultant, shares his thoughts and a hotlist of new timepieces worth keeping an eye out for.
