Spice up your desire

The new **Breguet** Marine Chronographe 5527 (pictured) and Marine 5517 give its maritime icon a fresh palette in shades running from ice blue to black, set against gradients of blue and grey. Crafted in white gold, rose gold or titanium, each dial is hand-guilloched with the Quai de l'Horloge motif, catching the light differently in every colour. *price on request; breguet.com*
