AUTO

Spice up your desire

The **Mercedes-Maybach** S 580e is the first electrified Maybach offered in India, combining a six-cylinder petrol engine with an electric motor. The lavish rear cabin features a full-length business console, 31-speaker Burmester 4D audio, entertainment screens, and Maybach-specific Nappa leather. There are only 30 units allocated for the initial Indian market.
price ₹3.35 crore (ex-showroom); mercedes-benz.co.in
