AS SKIN AILMENTS RISE ACROSS THE COUNTRY, NEW DIAGNOSTIC TOOLS AND TREATMENTS OFFER FASTER, MORE EFFECTIVE RELIEF

THE BIG STORY

32 China Ups the Ante in Arunachal

Recent clashes between Indian and Chinese soldiers on the LAC in Arunachal Pradesh put the spotlight back on India's border defences and China's continuing grey-zone tactics

WORKPLACE

50 The Rise of Quiet Quitting

An epidemic of withdrawal is sweeping through India's offices. It's measured by disengagement levels, where employees do just enough to survive on the job, and withhold any extra devotion. But it maps a wider generational shift
