Uttar Pradesh is home to the largest young workforce in the country and the world. It is a matter of pride for the state that we are harnessing this youthful strength as a demographic dividend. By integrating scale with skilling, we are working to propel the state's economy forward."

Yogi Adityanath
Chief Minister

New Pathways to Skills, Employment and Entrepreneurship

Empowered Youth, Prosperous Uttar Pradesh

01 Through a transparent and fair recruitment process, more than **9.5 lakh youth** have been provided government jobs across various departments in the state.

02 Various schemes introduced to promote the MSME sector have led to the continuous expansion of micro, small and medium enterprises across the state.

03 By adopting a merit- and qualification-based selection system, **lakhs of young people** have secured opportunities in government service, opening new dimensions of employment.

04 Under MSME sector, more than **4 crore people** have so far been provided employment and self-employment opportunities.

05 Driven by effective policies for employment generation, investment promotion and skill development, Uttar Pradesh's unemployment rate has declined from **18%** in 2016-17 to just **2.21%** during the tenure of the Yogi Government.

06 Under the ODOP Financing Scheme, more than **1.5 lakh local artisans** and craftsmen have so far been provided with modern toolkits.

07 Under the Chief Minister Yuva Swarozgar Yojana, margin money exceeding **₹940.86 crore** has been disbursed to help make more than 38,000 youth self-reliant.

08 The Vishwakarma Shram Samman Yojana has achieved significant success, benefiting more than **4.43 lakh** local artisans and workers across the state.

09 Uttar Pradesh's youth have received a digital boost, with more than 60 lakh tablets and smartphones distributed so far. The target is to connect **2 crore** young people through the initiative.

10 A major platform for earning while learning has been created in Uttar Pradesh. Under the Chief Minister Apprenticeship Scheme, more than **1 lakh youth** have been linked with industries.

11 Skill development has transformed Uttar Pradesh's employment landscape. More than **25.80 lakh** youth have been trained so far, while **10.20 lakh** have secured direct employment.

12 In UP, the recruitment process for **2.25 lakh police** personnel has been conducted transparently over the past nine years. A recruitment process for over 80,000 posts is currently underway for 2026
