School of AI. IIM Calcutta has earmarked over Rs 50 crore for IT upgrades and AI labs, with a two-year online MBA planned for 2027.

The survey finds a 60 per cent rise in successful start-ups associated with the top 25 B-schools, suggesting another measure of success beyond placement packages. The MBA's future lies not in teaching what machines can already do, but in developing the imagination, adaptability and moral courage to decide what should be done. ■
