"What I value most about IIM Ahmedabad is learning from distinguished professors who combine academic expertise with real-world insights. The emphasis on practical learning has sharpened my critical thinking and decision-making, while interactions with talented peers have reinforced the value of teamwork, diverse perspectives and continuous improvement"

much a management problem as an engineering one.

Abroad, the Dubai campus, inaugurated in September 2025, has added a two-year Executive MBA to its one-year MBA, aimed at experienced professionals moving into strategic leadership. The aim is to make Dubai a major IIM-A centre.

Many institutions produce either general managers or AI specialists. IIM-A wants graduates at the point where the two meet—leaders "who don't just use AI and analytics but lead through them". ■
