SWISS WATCHES

Ticking Towards Zero Duty

The India–EFTA TEPA came into force on October 1, 2025, opening up India's market to Swiss exporters. Under the deal, tariffs on eligible Swiss watches are set to fall from 18.9% to zero by January 2031

Note: The E7 tariff category provides for annual duty reductions over seven years, starting from the date the India–EFTA TEPA came into force. The initial tariff rate was 22%, comprising a 20% Most-Favoured-Nation duty and a 2% Social Welfare Surcharge
