SNIPPETS FROM THE *BUSINESS TODAY* MOST POWERFUL WOMEN IN BUSINESS AWARDS 2026 BY TEAM *BT*

AT A TIME when leadership is increasingly being measured by business outcomes, *Business Today*'s Most Powerful Women in Business (MPW) Awards brought the spotlight on women who are driving growth, building enterprises and shaping India's economic landscape. Held in Mumbai on October 23, the 23rd edition of the awards celebrated women across listed and unlisted companies, placing profit-based performance at the heart of the recognition.

The awards celebrated more than individual success. The recognition of 100 women from listed companies and 61 Super Achievers from unlisted businesses brought together performance, entrepreneurship, and leadership under one platform. And as women stepped forward to honour one another, the evening offered a reminder that the power of women in business lies not only in the results they deliver, but also in the example they set and the opportunities they create for those who follow.
