The Dynamite Art Of Alex Ross is available for $39.99. Find out more information or order your copy at **Dynamite.net**.

For the adaptation of Kevin Smith's unused *Green Hornet* movie script, Ross recaptured the cinematic quality of the classic comic-book superhero.

***Kirby: Genesis* was the result of Dynamite picking up a number of the more obscure Jack Kirby properties, and merging them into an epic shared universe that pays tribute to the late master of cosmic superheroics.**
