foremost symbol of resistance, embodying a conscientious Opposition against the regressive ideology of the Rashtriya Swayamsevak Sangh (RSS)–BJP.

Rahul Gandhi and his two maha-yatras are a clarion call to every patriot to join in a historic struggle to reunite India and restore the path our founders started us on. Stirring the nation's conscience, they can be aptly described as the first steps to a common man's fightback against the BJP government to reclaim their rights and dignity. In that spirit, I can only say to my fellow countrymen: '*Ek tera kadam, ek mera kadam … jud jaaye saara watan* (One step of yours, one step of mine … the whole country will unite).'
