safeguard India's democracy. Each of these formulations is a clarion call to all citizens to join this historic battle for India.

We have an arduous task ahead of us. Like during the freedom struggle, we today face the united might of the BJP's propaganda machinery, the Enforcement Directorate, the Central Bureau of Investigation, the Income Tax Department, the police and the administration. But just like the freedom struggle, it is the people that strengthen and empower us. I am confident that we will collectively give a resolute answer to the BJP soon. As our slogan says, '*Judega Bharat, Jeetega India* (Bharat will unite, India will win).'
