UNLIKELY REBEL

Even before June 9, 2013, when Snowden was first identified as the source of the leaked documents, he feared if he revealed too much about his past, he would come across as arrogant or bring unwanted attention to his family and friends. He also feared that talking about himself to reporters would take attention away from the issues. "I don't want the stage," he told a reporter. "I'm terrified of giving these talking heads some distraction, some excuse to jeopardize, smear, and delegitimize a very important movement."[1] However, in the course of several media interviews, a few facts about his past came to light.

Child of the Suburbs

Edward Joseph Snowden was born on June 21, 1983, in Elizabeth City, North Carolina. He grew up in Wilmington, North Carolina, then moved with his family to Ellicott City, Maryland, when he was nine years old. Edward preferred reading to television,
