Ongoing Influence

Snowden took heart in the fact that his actions were still influencing public debate and causing political action two years after he met with Poitras and Greenwald in Hong Kong. He was encouraged by congressional efforts to limit mass surveillance and by responses from President Obama and the courts. But Snowden worried the public would become tired of hearing about NSA abuses and simply tune it out. Mostly, he pinned his

SNOWDEN IN POPULAR CULTURE

Snowden's likeness and sayings can be found on T-shirts, posters, pins, bumper stickers, and even cell phone covers. Other places Snowden has appeared in popular culture include:

- *Snowden*, scheduled for release in 2016, was directed by Oliver Stone. It stars Joseph Gordon-Levitt as Snowden and Shailene Woodley as Snowden's girlfriend Lindsay Mills.
- Snowden opened a Twitter account in September 2015. In just a few hours he gained 300,000 followers—more than the NSA, with 76,000 followers.[7]
- *Citizenfour*, Laura Poitras's documentary about Edward Snowden, won the 2014 Academy Award for Best Documentary.
- The animated TV series *South Park* featured Snowden and the NSA in the 2013 episode "Let Go, Let Gov."
- Snowden and government surveillance are featured in the video games *Watch_Dogs*, *Data Dealer*, and *Snowden's Leak*.
- Many books have been written about Snowden, including *No Place to Hide* by Glenn Greenwald.
