conditions. These requirements can be burdensome for any government to implement (Clark 2022). However, populist leaders often find them particularly objectionable, as they directly infringe on national sovereignty. Similarly, populists frequently reject the technical advice proffered by IFIs, viewing it as the product of detached elites and technocrats, often from foreign backgrounds, who do not represent the interests or identities of the populist state.

TABLE 2.2. List of international financial institutions

Institution	Date	Members
International Bank for Reconstruction and Development (IBRD)	1944	189
Council of Europe Development Bank (CEB)	1956	41
