Interrogations over, for now. But a tail still following. I left the house, happy to get back in the air at this local aerial silks studio. Made it to the studio and couldn't find street parking, but my tail did. He had to leave his spot when I drove out of range, so I doubled back and stole his spot. Had a phone call with Wendy, where we both said that however badly Ed hurt us, he did the right thing by trying to ensure that when he was gone, Wendy and I were together. That's why he'd invited her and been so insistent about her coming. He'd wanted us to be together in Hawaii when he went public, so that we could keep each other company and give each other strength and comfort. It's so hard to be angry at someone you love. And even harder to be angry at someone you love and respect for doing the right thing. Wendy and I were both in tears and then we both went quiet. I think we had the same thought, at the same time. How can we talk like normal people when they're eavesdropping on all our calls?

6.25.2013

LAX to HNL. Wore the copper-colored wig to the airport, through security, and throughout the flight. Sandra came with. We grabbed a gross preflight lunch in the food court. More TVs tuned to CNN, still showing Ed, and still surreal, which is the new real for everyone, I think. Got a text from Agent Mike, telling me and Sandra to come see him at Gate 73. Really? He came up to LA from San Diego? Gate 73 was roped off and empty. Mike was sitting waiting for us on a row of chairs. He crossed his legs and showed us he was wearing an ankle pistol. More macho bullshit intimidation. He had paperwork for me to sign in order for the FBI to release Ed's car keys to me in Hawaii. He said two agents would be waiting for us in Honolulu with the key. Other agents would be with us on the flight. He apologized that he wasn't coming personally. Ugh.

Been packing the house for days now with only minor interruptions from the FBI, coming by with more forms to sign. It's torture, going through everything. Finding all these little things that remind me of him. I'm like a crazy woman, cleaning up, and then just gazing at his side of the bed. More
