JANARDHANA SWAMY AND NEHA J.S.

I agree, Guruji, peace and love are important. But if electrons did that, we wouldn't have electricity, phones, laptops, or TVs!

Are you still working on artificial intelligence? We've already moved on to artificial stupidity!

Nice meeting you today! So, are you Hindu or Muslim?

I've created my own website. But to access it, you must first check the "I'm not a human" CAPTCHA!

Mommy, I cleaned up Daddy's laptop! I separated all the 1s and 0s onto different hard drives!

I've decided to take down all my photos with celebrities. Everyone thinks they're AI-generated!
