and heat. *See* heat
internal consciousness of, 183–86
loss of direction, 19–36, 194, 195
loss of independence, 57–79
loss of the present, 37–56, 107–8, 194
loss of unity, 9–17
as measurement of change, and Aristotle's space, 63–79, 97
and memory. *See* memory/memories
modification of structure of, 9–13
multilayered aspect of, 3, 198
multiple meanings of, 17n
mystery of, 1–5, 199–202
and network of relations, 89–91. *See also* relationality
when nothing changes, 63–64, 72
Planck time, 83
proper time, 16, 40, 216n8
quantum superpositions of times, 87–88. *See also* quantum mechanics
quantum time. *See* quantum time
and relativity. *See* relativity
sources of, 193–203
spacetime. *See* spacetime
standardized, 61–62
as suffering, 190–91
temporal structure of universe without the present, 46–56, 106–7, 109
thermal, 134–38, 139–40, 142, 196, 222n87
traces of the past, 166–67, 181, 183, 187, 196–97. *See also* memory/memories
"true" time and Newton's space, 65–79
Tomita–Takesaki theorem, 225n85

universal man, 154–55

Wheeler, John, 119–21, 122, 124
Wheeler–DeWitt equation, 119, 224n72
